About Us

Moinee Foundation is a non government organization established in year 2012 aiming for '**Right to Quality Education**'

Committed to effective last mile delivery of quality education, which is achieved by **breaking the barriers of ACCESS, COST & LANGUAGE**, through our techno-social innovations & interventions.

Primarily working with the Government Bodies, Educational Institutes (Schools/Colleges/Universities etc.) and digitally disconnected communities.

13300	TEACHERS
150	e-LIBRARIES
11	COMMUNITY LEARNING CENTRES

＊ Data Updated till 31st March 2021

Key Programs

PROJECT UTKARSH:

A mission to bring qualitative changes in Government schools' education through technology, innovation, intervention and infrastructure improvement. Program has 3 implementation variant as below:

CORE: QuizAcademy enabled Smart-class and e-learning initiative for Government Schools leveraging existing ICT infrastructure and human resource.

SCHOOL-IN-A-BOX: Smart Knowledge Server based e-learning and Smart-class initiative to deliver curriculum mapped digital learning content to students in local language without internet dependency featured with Enhanced intervention, remote monitoring in no internet zone, multimedia & multi lingual content and asset tracking of ICT infrastructure.

MODEL SCHOOL: Initiative for transforming Government schools into model schools by improving physical infrastructure for healthy & playful learning environment, creating smart learning ecosystem through digital infrastructure and providing enhanced teaching-learning experience through innovative & engaging intervention.

OFFLINE COMMUNITY e-LIBRARIES:

An initiative for digital empowerment of community through last mile delivery of e-Governance solutions and digital contents with no dependency on internet (e-Gyankendra, e-Mitan, e-Vidyakendra, Gyanganga).

INDUSTRY ALIGNMENT PROGRAM:

An initiative for bridging the Industry-Academia gap by imparting relevant technical and soft-skills, which not only helps in enhancing employability of students but also addresses the challenges faced by industry in finding skilled & well groomed employees.

Project Utkarsh

A Govt. School Transformation Program

Wheel diagram labels:

- STAKEHOLDER ALIGNMENT (EDU. DEPT. | SCHOOL ADMIN.)
- ICT LAB REVIVAL (COMPUTERS | HARDWARE)
- OFFLINE SOLUTION (QUIZ ACADEMY | SCHOOL IN A BOX)
- REMOTE MONITORING (DASHBOARD SYNC APP)
- CAPACITY BUILDING (SESSIONS WITH TEACHERS & STUDENTS)
- DIY TINKERING KIT (ROBOTIC & SCIENCE MODELS)
- REGULAR INTERVENTION (FACILITATION MONITORING)
- CO-CURRICULAR ACTIVITIES (ENVIRONMENT ART & CRAFT)
- LIBRARY REVIVAL (BOOKS | FURNITURE)
- BUILDING IMPROVEMENT (PATCH WORK | PAINT | ELECTRICAL)
- HEALTH & HYGIENE (DRINKING AREA | TOILET)
- PLAYFUL AREA (INDOOR & OUTDOOR SPORTS KIT)

Central wheel segments:

- INNOVATIVE & ENGAGING INTERVENTION
- SMART LEARNING ECOSYSTEM
- HEALTHY & PLAYFUL LEARNING ENVIRONMENT
